

West Coast ACTS
Student Convention

General
Guidelines

JUDGING

Decisions of the judges are final. Judge's Forms with judges' notations are returned to the contestants or sponsors following the Convention. Please do not ask the Convention Judges to make suggestions and comments for contestants' improvement.

After performances and judging are complete, convention staff will do their best to return Judge's Forms to participants or a school representative. These items may be picked up in the display area and/or other areas announced during the convention.

AWARDS

Ribbons, certificates, and/or medals will typically be awarded to the top three places in each category. When ties occur, each contestant will receive an award. Although there may be exceptions, as a rule first place awards will require a minimum score of 94%, second place minimum score will be 87%, and third, 80%. In cases where noteworthy efforts do not qualify for first, second, or third place designation, honorable mention awards may be given. Awards will be presented during evening rallies at the Convention.

APPEARANCE

The dress code, as stated in the guidelines, must be observed by everyone officially associated with the Student Convention. Participants, contestants, sponsors, and coaches are asked to dress in conservative, appropriate, modest attire that will bring honor to the Lord and demonstrate a high standard of holiness in appearance. An image of Christian discretion and modesty is to be portrayed at all times. Fad clothing is not appropriate and will not be allowed. Jewelry other than wristwatches and wedding rings is not allowed. Participants are asked to show deference to the intent of the appearance guidelines. Violators may be requested to either bring their appearance into conformance with the guidelines or to withdraw from the Convention. Dress requirements must be followed throughout the entire convention, including arrival and departure.

ATTENDANCE

Sponsors and students must attend all services. All sponsors *must* sit with their group during the services. Sponsors are also expected to PROHIBIT students from booing or using flash attachments at inappropriate times, etc. *Each contestant must be present during the entire Convention.*

CONDUCT

“Abstain from all appearance of evil” must be the guiding principle for all interaction between the young men and young ladies attending the convention. Maintaining the highest possible standard of behavior before the secular community at the convention is a God-given responsibility. Sponsors and staff should be constantly alert and should not hesitate to correct any behavior which is “unseemly.”

The “hands off” rule must be followed at all times. Couples should not isolate themselves from the group and should be properly chaperoned at all times. Respect for our Lord Jesus Christ and for each other requires that couples follow these guidelines.

Throughout the convention, all participants must uphold the highest standards of Christian conduct in keeping with the policies of the Oregon District United Pentecostal Church and the United Pentecostal Church, International.

At no time shall contestants be in cars, buses, or vans without a sponsor. Under no circumstances should any convention participant be in possession of items such as illegal drugs, alcohol, tobacco products, weapons, fireworks or anything else out of harmony with the stated purpose of the convention.

SPONSORS

Sponsors are the key to good attitudes among the students and a cooperative spirit at the Convention. For the most part, students will reflect the attitudes of the sponsors and school staff members. Help us display a positive attitude even in the face of problems should they arise. Learning to handle difficult situations while under pressure and yet maintain a spirit of good sportsmanship and brotherly love is important to your students' Christian education and development.

Each student *must* be directly responsible at all times to a specific sponsor. Sponsors are responsible for the safety and conduct of the students under their supervision. There must be no less than one male sponsor per ten boys and no less than one female sponsor per ten girls. Sponsors must be at least twenty-one years of age. In some cases, a school may assume responsibility for students from another school or home school provided this does not exceed the one-to-ten sponsor/student ratio. Sponsors must reside with their students throughout the convention.

Sponsors may bring their own children if they meet the requirements for attendance. Sponsors must adhere to the appearance dress code.

Make your students fully aware of the dress codes, and check their dress and appearance at the beginning of scheduled competition. Non-compliance with the dress code will negatively affect contestants' scoring on performance events. Don't allow your students to push the limits.

All SPONSORS must submit a [Sponsor Registration Form \(CF4\)](#) for the Convention.

SPECTATORS, GUESTS AND CHILDREN

Spectators are welcome and encouraged to attend events and services.

MEDICAL

WCA Student Convention and its affiliates assume no responsibility for the safety and conduct of or the *medical or accident insurance coverage of students, sponsors, judges, spectators or guests.*

DISPUTE RESOLUTION PROVISION

All students, parents of students, guardians of students, teachers, employees, volunteer workers, and sponsors attending or in any way associated with West Coast ACTS Student Convention agree to submit to binding arbitration any matters which cannot otherwise be resolved, and expressly waive any and all rights in law and equity to bringing any civil disagreement before a court of law, except that judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. In the event of any dispute, claim, question, or disagreement arising out of or relating to the West Coast ACTS Student Convention, the parties shall use their best efforts to settle such disputes, claims, questions, or disagreements as befits Christians. To this effect, they shall consult and negotiate with each other in good faith and seek to reach a just and equitable solution. If they do not reach such solution within a period of sixty (60) days, then upon notice by either party to the other, disputes, claims, questions, or differences shall be finally settled by arbitration as administered by the American Arbitration Association.
