

## (261) Repurpose It!

*Repurpose - to give a new purpose or use*

Start with any item (i.e. non-wearable fabric, wood, plastic, wire, etc.) and what it ends up is up to you.

**PACKING:** All contestants are responsible for the packaging, transporting and proper handling of their competition entries. No entry may exceed 40 pounds in weight or exceed more than two or three feet in its longest dimension (depending on the category entered.)

**DELIVERY:** All items must be brought to the Convention Wednesday morning and removed from the premises by Saturday morning.

**DISPLAY:** Entries must have a display card securely attached to the project with the following information neatly printed or typed: event, student's name, school name. Display card must be clearly visible.

**WCA STUDENT CONVENTION IS NOT RESPONSIBLE FOR ENTRIES LOST, STOLEN, OR DAMAGED.**

Entries will be judged on originality, quality of workmanship, overall presentation, and requirements met.

1. Repurposed useable items must be able to withstand intended use (i.e. outdoor items must be weather resistant).
2. New or used items may be repurposed.
3. Include a photo of the original item.
4. Include a small report explaining how you repurposed your item.
5. No entry may exceed 40 pounds in weight or exceed more than two or three feet in its longest dimension.
